✔ Sign Up

By clicking "Sign Up" button, I expressly agree to the EmailJS [Terms of Service](#) and understand that my account information will be used according to EmailJS [Privacy Policy](#).

Known to EmailJS? [Sign in to continue!](#)

1 로그인을 진행합니다.

The login form for EmailJS. It features the EmailJS logo at the top left. Below it are two input fields: 'Your Email' and 'Password', both marked with a red asterisk. A 'Forgot your password?' link is positioned below the password field. A blue 'Sign In' button is centered below the inputs. At the bottom, a light blue banner contains the text 'New to EmailJS? Create your free account now!'.

2 이메일 인증을 위해 **Resend Email** 버튼을 클릭합니다.

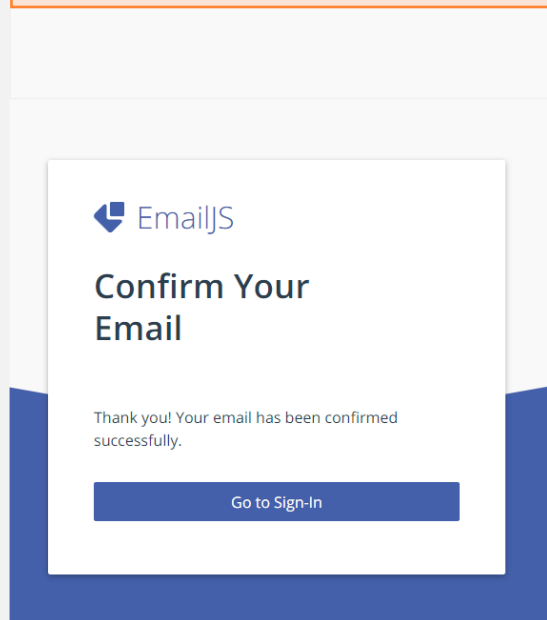

The 'Email Confirmation Required' screen. It displays the EmailJS logo and the title 'Email Confirmation Required'. The main text states: 'We sent the email to cyj870612@gmail.com. Check your inbox to activate the account. If the confirmation email is not in your inbox, please check the Spam. Thank you.' A blue button labeled 'Resend Email' is centered at the bottom.

3 가입할 때 작성한 홈페이지의 메일함을 확인하면, Email JS 에서 발송한 이메일 인증 메일을 확인할 수 있습니다. **Verify email** 버튼을 클릭해 인증을 완료합니다.

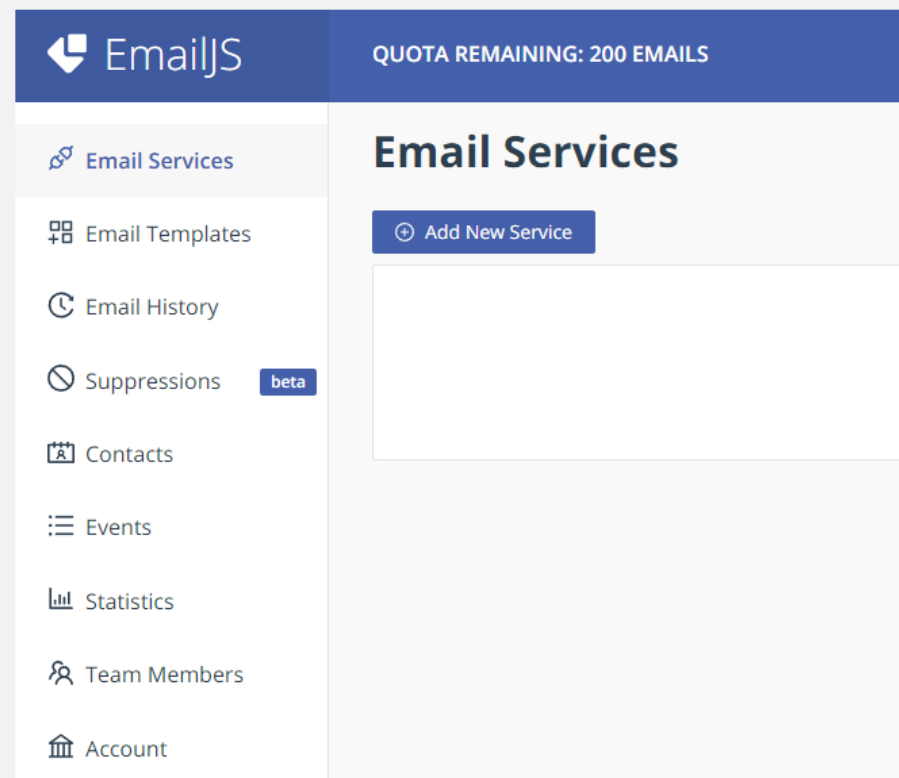

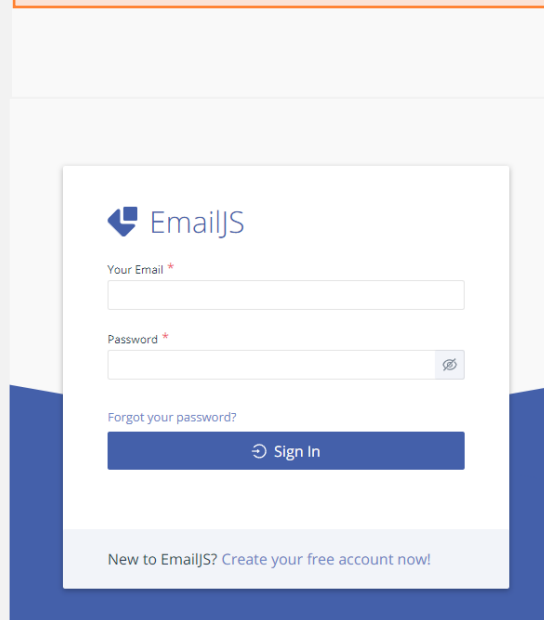

The verification email from EmailJS. It starts with the EmailJS logo and the text 'Hi ustina,'. It then says 'Thank you for signing up on EmailJS! We're excited to have you on board and will be happy to help you set everything up.' Below this, it asks the user to click a link to verify their email address: 'Please click the link below to verify your email address: cyj870612@gmail.com'. A blue button labeled 'Verify email' is highlighted with an orange border. At the bottom, it notes 'This link will expire in 48 hours.' and provides instructions: 'If you're having trouble clicking the button, copy and paste the URL below into your browser:'.

- 4 이메일 인증이 완료되면, 다시 로그인을 진행합니다.

- 5 로그인을 완료하면, 메인 화면이 등장합니다.

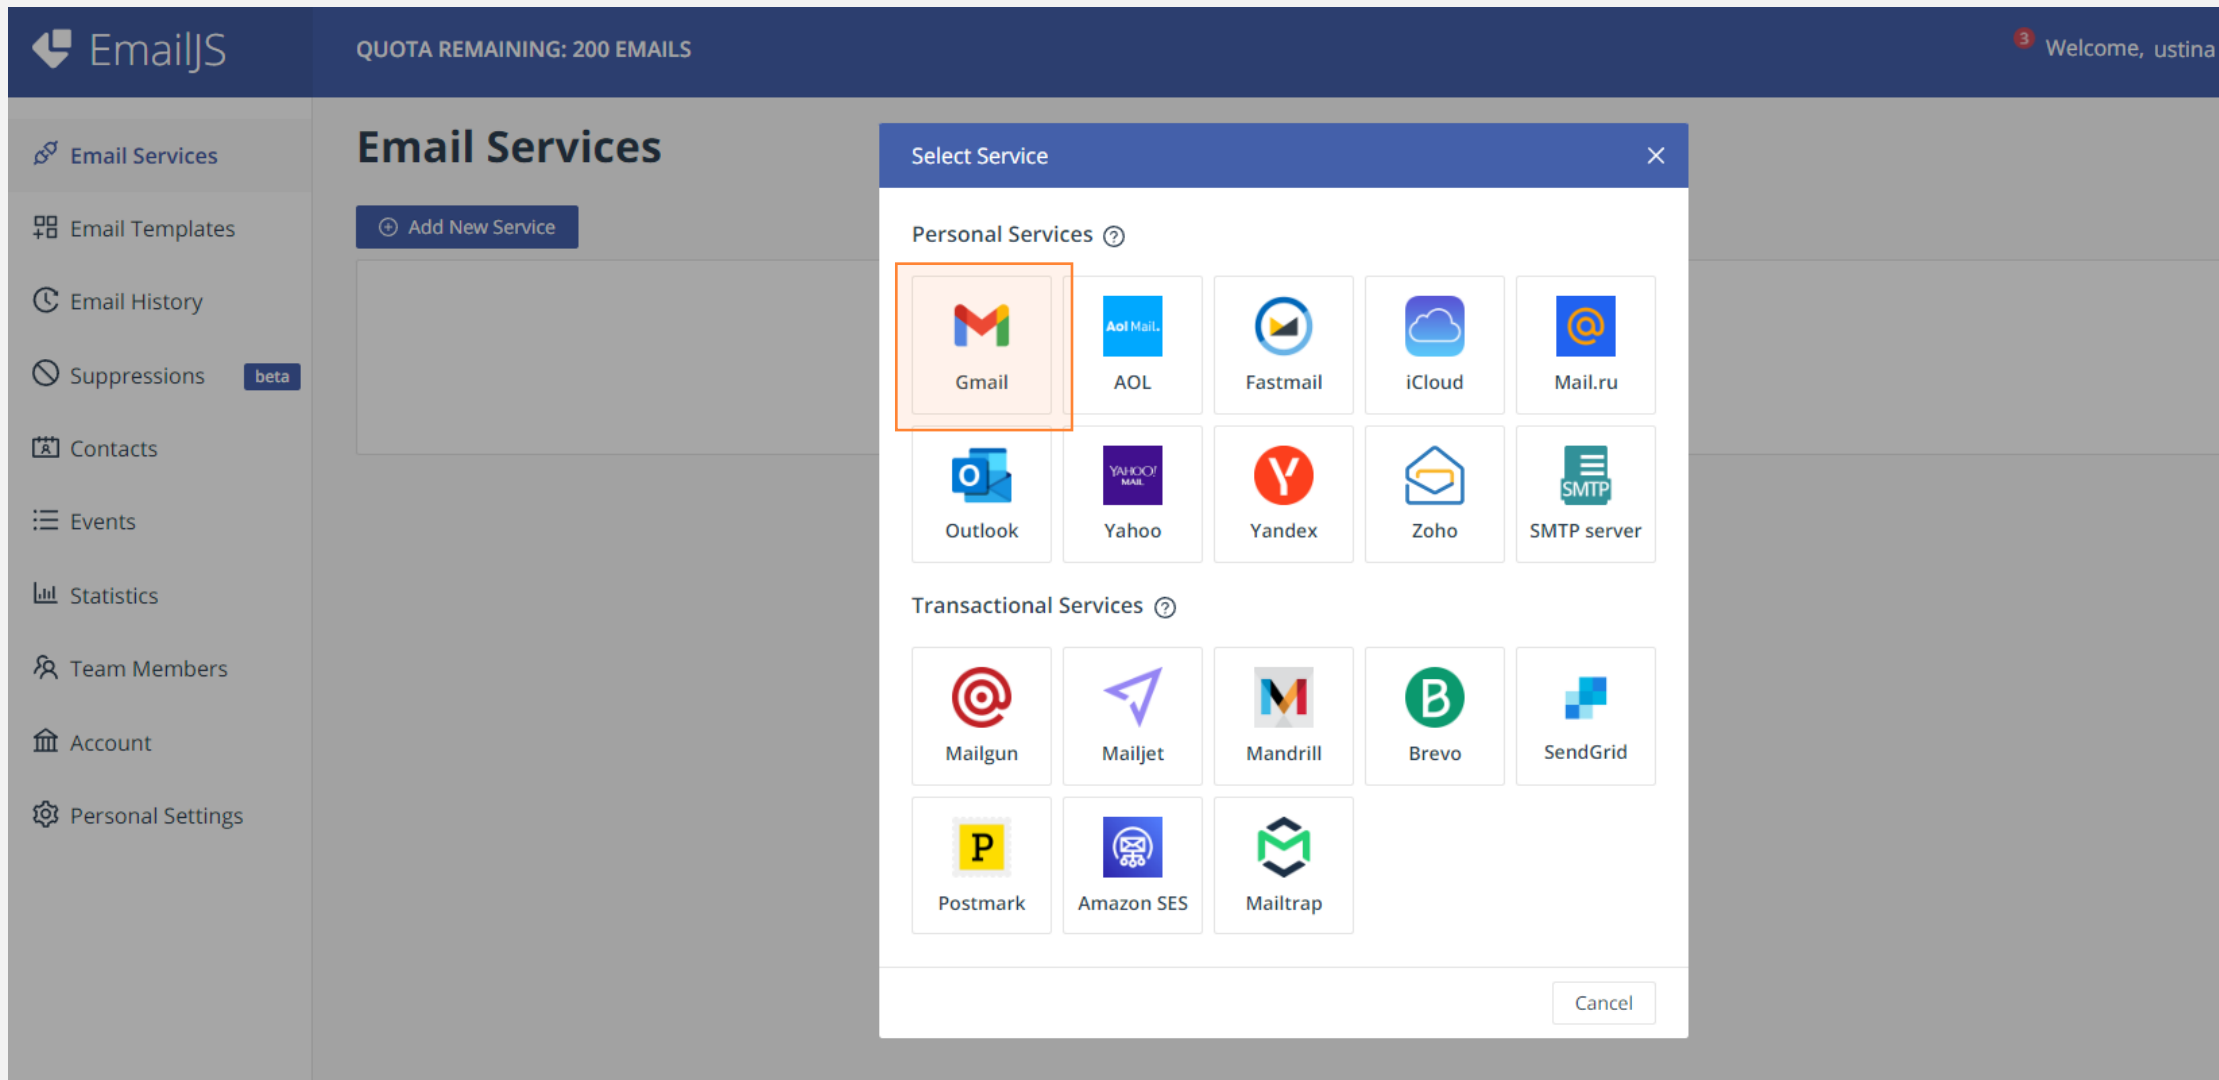

▶ 이메일 서비스를 신청하기 위해 **Add New Service** 버튼을 클릭합니다.

The screenshot displays the EmailJS dashboard interface. The top navigation bar is dark blue, featuring the EmailJS logo on the left, the text 'QUOTA REMAINING: 200 EMAILS' in the center, and a user greeting 'Welcome, ustina' on the right. A left-hand sidebar contains a list of navigation items: 'Email Services' (highlighted with a blue background), 'Email Templates', 'Email History', 'Suppressions' (marked with a 'beta' badge), 'Contacts', 'Events', 'Statistics', 'Team Members', 'Account', and 'Personal Settings'. The main content area is titled 'Email Services' and contains a prominent blue button labeled 'Add New Service' with a plus icon, which is enclosed in an orange rectangular highlight. Below this button, a message reads: 'How will we send emails? Press [Add New Service](#) to add your first service!'.

- ▶ Email JS를 활용할 때 필요한 3가지 요소가 있습니다. (Template ID, Service ID, Public Key)

The screenshot displays the EmailJS dashboard interface. On the left, a sidebar contains navigation links: Email Services (highlighted with an orange box and number 1), Email Templates, Email History, Suppressions (marked as beta), Contacts, Events, Statistics, Team Members, Account, and Personal Settings. The main content area is titled 'Email Services' and shows a 'QUOTA REMAINING: 200 EMAILS' status. A list of services is displayed, with 'TestEmail' (Service ID: service_smyaw7b) highlighted by an orange box and number 2. An 'Add New Service' button is also visible. An 'Edit Service' modal is open, showing details for 'TestEmail'. The modal includes a 'Name' field with the value 'TestEmail', a 'Service ID' field with the value 'service_smyaw7b' (highlighted with an orange box and number 3), and a 'TestEmail Connect' section showing the user is connected as 'cyj870612@gmail.com'. A 'Disconnect' button is present. A message box indicates that 'Send email on your behalf' permission is allowed during connection, supporting both Gmail and Google Apps accounts. A checkbox for 'Send test email to verify configuration' is checked. At the bottom of the modal are 'Cancel' and 'Update Service' buttons.

- ▶ Email JS를 활용할 때 필요한 3가지 요소가 있습니다. (Template ID, Service ID, Public Key)

The screenshot shows the EmailJS web interface. The top navigation bar is dark blue with the EmailJS logo on the left, 'QUOTA REMAINING: 200 EMAILS' in the center, and a user greeting 'Welcome, ustin' on the right. A left sidebar contains a list of menu items: 'Email Services', 'Email Templates', 'Email History', 'Suppressions' (marked with a 'beta' badge), 'Contacts', 'Events', 'Statistics', 'Team Members', 'Account' (highlighted with an orange box and a red '1'), and 'Personal Settings'. The main content area is titled 'Account' and has four tabs: 'General' (selected), 'Subscription', 'Invoices', and 'Security'. Under the 'General' tab, there is an 'API keys' section. The 'Public Key' field is highlighted with a yellow background and an orange box with a red '2'. The value '2aCXMCEZHXXDEATP-' is visible. Below it, the 'Private Key' is partially visible as 'MkkV.....'. A 'Refresh Keys' button is located below the private key field. Further down, there is a 'Notifications' section with the text 'All system notifications will be sent to the email address below'. The 'Email' field contains 'cyj870612@gmail.com' and has a 'Change' button below it.
